

Because Of The Cross

Lyrics: Cath Woolridge

Music: Rachel Mathias

As I live my life today
Let the cross live on
In my head and my heart
As I live my life today
Changed by its power
Life changing power
As I live my life today
Let your light, blaze my heart
Demanding my soul
Consuming my all

Because of the cross
Because of the blood
Freedom gets under my skin
A soul synchronised to Christ
I'm alive
No longer caged in by my sin
Because of the cross

As I live my life today
All you fulfilled, all you gave up
As I live my life today
Radical grace shouts out my name
As I live my life today
My heart satisfied
soul safely home
Slate dusted clean
Hope signs ahead

Let nothing disturb
Let nothing dismay
Let nothing come close
To your radical love
