

## **Prepare The Way**

Pete James

Prepare the way for the King  
Trumpets sound, choirs sing  
Angels play your symphony  
Hallelujah King forever

We welcome you, hosanna  
We welcome you, hosanna  
Let everything that has breath within  
Sing the glory of the King  
Dance undignified for him

O let the earth and seas resound  
Rivers, streams, applaud him now  
Mountains bring your tribute songs  
Hallelujah, King forever
